

Wireless World Initiative (WWI)

Panel: From individual projects towards a common approach:
benefits and challenges

Henrik Abramowicz
Ericsson Research
On behalf of WWI

Purpose of collaboration is to provide an overall End-to-end systems view

- ❑ Extended CA to facilitate collaboration between projects
- ❑ Common events
 - WWI symposia
 - Brussels Dec 04
 - Paris Nov/Dec 05
 - Helsinki Nov 06
 - Brussels Nov 07
- ❑ Mobile summits
- ❑ International exchange of info and relations building
 - San Diego July 2005
 - Shanghai October 2005
 - Yokosuka Japan March 2006
 - Montréal in conjunction with VTC September 2006

Collaborative approach

- ❑ Scenario development in phase where all projects participated
- ❑ Internal WWI teambuilding activity in Valsbroek
- ❑ Co-ordinated and joint demos to market WWI
- ❑ Bi (tri)-lateral project meetings on special topics
- ❑ Cross-Issue work
 - User Acceptance
 - Business Models
 - Systems view
 - Migration
 - Validation
- ❑ Common input to WWRF book of vision

- Consensus building
- Trust & networking
- Pre-standardisation
- Extending beyond Europe
 - Asia
 - NA
 - Australia
- Reaching out to International bodies
 - ITU
 - IETF
